

August 16, 2010

Dear Cavalier Singers,

Welcome to the great school year of 2010-2011. A year filled with change and awaited memories that will last a life time. Choral traditions will be honored throughout the year, and new directions will be explored.

I am honored to be a part of your high school experience, and work with a state and nationally acknowledged choir. I look forward to the opportunity to perform new and familiar selections with you for our upcoming community concerts, competitions, and festivals.

The choral community of our district has a year of choral excellence and memorable moments coming their way. Invite family and friends to place concert dates on personal calendars, and join us at Twichell Auditorium located on the Converse College campus.

Please contact me if you have questions or suggestions throughout the year.

Sincerely,

Angela Lemere
District Choral Director
Dorman High School
