

# Guard Grading Policy, Syllabus, and Procedures.

Guard is primarily a performance-based class; however, there are academic requirements that help regulate grading. Grades will be given in three categories:

<b>1. Participation Average</b>	<b>50%</b>
- Routine check-offs	
- Participation grades	
- Attendance	
- Performances	
<b>2. Test Average</b>	<b>20%</b>
- Vocabulary	
- Technique	
- Counting	
- Other items labeled as “test” grades	
<b>3. Daily Average</b>	<b>30%</b>
- Projects	
- Quizzes	
- Homework (practicing)	
- Other items labeled as “daily” grades	

**Other grading factors:** Late items will receive a 10-point deficit for each day late. It is the student’s responsibility to set times for make-up work and it must be completed within one week of an absence. Projects, homework, etc. are still due the day student returns without penalty.

Assignments will be given out on a weekly basis. Larger projects will receive no less than one full week notice. Performance exams or projects not properly prepared will receive a rating of “NG” or “No Grade.” These will have to be re-submitted with a 10-point deficit for each retake.

**Restroom** - Please plan your day to handle this between classes.

**Disruptions/ Disrespect** - WILL NOT BE TOLERATED.
