

French III: Course Information

Welcome to French Class!

The third semester of French study is a continuation of what you learned in French I and French II. We will focus on using the language orally, in writing, and in reading. I think you will be pleasantly surprised at how much you will be able to do as the semester progresses. Remember, the nature of learning a language is building on what you already know. Because of that, it is very important to not get behind in the process of learning it. Please never hesitate to let me know if you need help! My goal is that you not only learn and do well, but that you enjoy learning. Below, you will find information on grading, materials, and expectations. Please let me know if you have any questions. I am looking forward to a fun, successful semester!

Jo Murphy

Materials: one 3 ring binder with dividers, notebook paper, and something to write with (Kleenex donations are also welcome!)

Grading: Grades are weighted according to the test or assignment. Quizzes count once, tests count twice, and unit tests count three times. These grades comprise ninety percent of the final grade. Ten percent of the final grade will be the final exam.

Classroom Rules: All DHS rules will be enforced according to the student handbook including rules on behavior and tardies. Also,

- 1. Be on time, ready to begin and have all materials ready when the bell rings.*
- 2. Be respectful of both teacher and classmates at all times. Disrespect and misbehavior will not be tolerated.*
- 3. You are to work on FRENCH ONLY during class. You may work on homework only if permission is granted by the teacher.*
- 4. Have a good attitude at all times!*
- 5. You will be expected to speak only French as much as possible.*

If you choose to break a class rule:

1st time: warning

2nd time: note home to be signed by parent

3rd time: note home and 15 minutes after school detention

4th time: note home and 30 minutes after school detention

Discipline referrals will be issued at the teacher's discretion

Classroom Procedures:

- 1. All make up work must be completed within 5 school days after you return to school. It is YOUR responsibility to get your assignments and set up make up times if necessary. Since I have no planning period this semester, most make ups will have to be before school. I will stay on Wednesday afternoons if needed, as well. If you do not come when we have planned to make up work, you will receive a zero. Failure to make up assignments or tests will result in a zero on the missed work. Any assignments due on the day you were absent are due the day you return to school unless your parent has notified me otherwise.*
- 2. Stay organized and keep all of your work. It will help you to keep all handouts, etc. organized for future reference.*
- 3. Listen and follow directions! Your success requires active participation.*
- 4. If you need extra help, YOU must ask before it is too late! Don't get behind!*

CONTACT INFORMATION:

If you or your parents need to reach me, please call me at school and leave a voice mail or e mail me at murphyjn@spart6.org. Since I have no planning period this semester, e mail would probably be the most effective way to communicate with me. Please be patient!

Please see the assignment overview document for details concerning the requirements and what work to expect this semester .

Grade Reports will be sent home every 4-5 weeks. Students are expected to have these reports signed and returned to me the following day. It is each student's responsibility to make sure all work is completed and turned in. Remember that when an assignment is not completed and turned in, it will be recorded as a zero. That can really hurt your grade!

***I am looking forward to a great semester together!
Remember, I WANT YOU TO SUCCEED and to DO WELL! We
can learn a lot and have fun if we all work together. Thanks
so much-***

Jo Murphy
