Congratulations, Mayflower! Your FAFSA was successfully submitted to Federal Student Aid.

**Does your brother or sister need to complete a FAFSA?** If so, you can transfer your parents' information into a new FAFSA for your brother or sister to save time. Your parents will have to provide a signature again, but that's all.

**What Happens Next**

- You will receive an e-mail version of this page.
- In 3-5 business days, you will receive an e-mail notifying you that your FAFSA was processed.
- Your FAFSA information will be made available to your school(s), and they will use it to determine the aid you may be eligible to receive.
- Your school(s) will contact you if they need more information or when they are ready to discuss your financial aid award.
- If you have questions about your financial aid package, contact your school(s).

School(s) on your FAFSA:

**A Confirmation Page will appear, PRINT PAGE**

**Eligibility Information**

Based on the eligibility criteria, you may be eligible for the following:

**Estimated Expected Family Contribution (EFC) = 004834**

The EFC is a measure of how much you can contribute to the cost of your education. Schools use your EFC to determine your federal student aid eligibility.

The EFC is not how much aid you will receive or how much you have to pay for college.

Pell Grant Estimate - \$865.00

Direct Stafford Loan Estimate - \$5,500.00

You may also be eligible to receive other federal, state, or institutional grants, scholarships, and/or work-study.

In addition, you should learn about federal tax benefits for education, including the *American Opportunity Tax Credit (AOTC)*.

Your parent(s) indicated that they had filed an IRS tax return when they provided their financial information and it appears that they were eligible to use the IRS Data Retrieval Tool, which allows them to view information from their IRS tax return and transfer that information directly into your FAFSA. The benefit of using the tool is that it's the easiest way to provide accurate tax information, and it also eliminates the need for providing a copy of your parents' tax return to the financial aid office at your college. Once your FAFSA has been processed, you can return to FAFSA on the Web and your parent(s) can use the tool to transfer their tax information.

**What is next?**

- The EFC determines Pell Grant Eligibility.
- Each school has a Cost of Attendance (COA).  
 Subtract the EFC from the COA that is your financial need.  
 The need may be met in a variety of ways...or may not be met!
- Once the FAFSA has been processed, follow-up with the Financial Aid Office at every school the FAFSA has been released and comply with any additional request ASAP!!!
- Eligible for VA Benefits? Contact the VA Office at the college for instructions.
- Does the student have a disability? If so, with exception to visual impairment contact your local SC Vocational Rehabilitation Office. If it is a visual impairment contact the SC Commission for The Blind.
- Report your disability to the Disability Office at the school you will be attending.
- What if your expected 2016 income is less than your 2015 income or what if the household information has changed due to death, divorce or separation?
