

## To Be Successful in Biology

The following guidelines have been established to allow you to learn as much as possible and help this semester to be enjoyable.

1. **Ask Questions.** That is the essence of science.
2. **Be Prepared.** Bring your 3-ring notebook, journal, textbook, and at least two writing instruments to class each day.
3. **Be here and be on time.** The DHS tardy policy will be followed. If you are tardy, please sign in at the door. If you are absent, it is your responsibility to make up missed work. Unless there are unusual circumstances, FIVE days will be allowed to make up work. Tests may be made up by appointment.
4. **Honesty and Respect** for others is expected.
5. **Dismissals from class** are for emergencies only. Do not abuse restroom privileges.
6. **Grading:**

Tests and Projects	50%
Quizzes	20%
Labs	20%
Homework/Participation	10%

**Contact Information:** Parents/Guardians and students may contact me, Janice Sandlin, at any time by telephone, (864) 582-4347 ext. 1213, or e-mail me at [sandlijh@spart6.org](mailto:sandlijh@spart6.org)
