

August 15, 2011

Dear Parent or Guardian,

I want to take this opportunity to introduce myself and express my excitement about working with your student this semester. I love teaching high school and I care deeply about each of my students. I believe students can grow and develop by examining the issues we cover in class. Over the course of the semester, I will introduce a variety of LIFE concepts and skills that will assist your student in attaining their LIFE Diploma.

Additional information about the class is provided in the syllabus attached to this letter. Please read the syllabus and sign the detachable portion on the bottom of this note in order to indicate your understanding and support of the classroom system.

Also note that if you ever have any comments, questions or concerns, I am available for phone calls, emails, and meetings (by appointment please) each day during my planning period from 9:50-11:33. To schedule a meeting, you may contact me via email at youngr@spart6.org or 582-4347 ext. 2218.

I am excited about working with your student. I welcome questions or comments, and am looking forward to a great year!

Sincerely,

Rhonda Young
Learning Specialist
Dorman High School
