11:41-1:16	3 rd Period	U.S. History
1:16-1:46	Lunch	
2:00-3:30	4 th Period	Planning

Extra Help Options:

I am available before school to offer students extra help. Students need to come to me to discuss a time to meet in my classroom before school. Students will be given a pass from me that will ensure their access to the hallways before school starts. I am NOT available after school, because I coach the JV Volleyball team here and we have practice directly after school. If a student cannot come before school, I can make special arrangements.
