

Dorman High School
Teacher Cadets

Dear Parents,

I look forward to leading your child this year as they explore the field of education. Teacher Cadet Class is both a challenging and rewarding class which requires preparation, responsibility, and participation. There will be lectures, discussions, activities, guest speakers, field trip observations, and in-field practicum experience. Due to the many field trips, we ask each student to pay a \$20 fee to help offset the cost of buses and drivers. I hope to meet you and I will be glad to answer any of your questions concerning the class or your child's performance.

USC-Upstate is our college partner for this class. This year Dual Credit is going to be offered for this class. Your child can enroll at USC-Upstate for dual credit. Upon passing this class they can receive three hours credit from the university and AP credit for it here at Dorman. The charge for dual credit will be \$66 per hour (\$198.00 for the class). A student may not choose to do dual credit.

Please call the school at 582-4347 and leave a voice mail or e-mail me at andersjo@spart6.org and I will be glad to answer any questions.

Sincerely,

Judy Anderson
Teacher Cadet Instructor
