

Mr. Catto's Classroom Rules

Let me start by saying welcome to our class. I'm excited to have you here and look forward to working with you this semester. There are some things I expect from you while you are here in order for us to accomplish our goals and enjoy our time together. Here is what I expect of you and what you can expect from me:

1. All policies, rules, and procedures of Dorman High School will be followed.
2. **Respect: If you give it, you will get it.**
3. **You will only be asked once to accomplish a task.**
4. Be in your seat and ready to work when the bell rings.
5. No eating or drinking in the classroom.
6. When homework is given, it is due the following school day. Late homework will not be accepted.
7. Attitude is everything. If you have a positive attitude, success will follow.
8. Be prepared for class. Bring all required materials to each class period.

Consequences will be dictated by the discipline code found in your student handbook

I have read and understand these rules. I understand what is expected of me.

Student Signature

I have read and discussed these rules with my son/daughter.
