Dear Parent:

Welcome to the 2011 – 2012 school year at Dorman High School, Roebuck, S.C.!

What an exciting time to be enrolled in American Government and Economics! There are so many things happening and so much to examine and explore. I have always taught my students that there are two sides to every issue and I will place those sides before them. This is done – not to “make” them have one set of beliefs but to encourage them to have reasons for what they believe. To do this, I have always taken the opposite view of the class. The opposite views are not necessarily my own...but that is explained at the beginning of each nine weeks. Over the years, my students and I have had fun doing this.

If you have something you are concerned about in my classroom, please make an appointment with me and share your concerns. My contact information is listed below. If I have a concern about your student, if it is not total class disruption, I will always get in touch with you to share my concerns.

I invite you to visit my instructor web page frequently so you can remain familiar with our assignments, progress and announcements. There should never be a doubt about what we are doing in class. If you have a need to speak with me, please send an email and give me 24 hours to respond. Usually I respond the same day.

Take care and again, if I can be of assistance, don't hesitate to send an email, call, or make an appointment.

My hours for assisting students are by appointment and may be set from 7:00 A.M. until 7:30 A.M. or 3:45 P.M. until 4:15 P.M. I look forward to forming a partnership with you so your student can have a successful year.

Sincerely,
