

Government/Economics

Coach Black

Dear Parents and Students,

It is a pleasure for me to welcome you to Government/Economics at Dorman High School. I am excited about the opportunity to work with you this semester and believe that this will be a productive and rewarding experience for all of us.

This is an EXTREMELY fast pace course, so you need to prepare yourself. Also, this is a required course for graduation, so you should treat it like one.

**Requirements:**

1. All homework assignments must be complete and turned in on time. It is the responsibility of the student to acquire missed assignments. **Missed work due to an absence should be completed or scheduled for completion within 3 days of the absence.** If a student fails to do so, no credit will be given for the assignment.
2. Students are expected to participate in all class discussions and class projects.
3. Students are expected to be their assigned seat when the tardy bell rings.
4. Students should be respectful to themselves, their peers, and the teacher at all times, it is a requirement of this course to participate in class discussion and voice individual opinions; however, students should always be courteous and respectful of their peers and the teacher.
5. Come prepared to class! Students should be in attendance each day with a textbook, a 1" 3-ring binder, and pencil/pen.  
\*\*Students who do not comply with this rule shall be subject to the disciplinary procedures outlined in the Dorman High School Student Handbook.

Notebook Instructions: Each student's notebook will be checked periodically for accuracy and organization.

Grading:

Test	40%
Classwork/Homework	25%
Quiz	25%
Exam	10%

Please contact me about any concerns. I am looking forward to great semester!!!

Sincerely,

Marcus L. Black
