

Dear Parents,

My name is Mr. Vernet and your son/daughter is enrolled in my U.S. History class this semester. I am looking forward to an exciting year. It is my goal to provide all students with an educationally challenging, yet fun, experience in my classroom.

U.S. History is a very demanding course and required for your child to graduate from Dorman High School. We will cover 10 Units during the semester. The class moves very fast, historically speaking. Each student will need a three ring binder (2 inch) in which he/she will keep journals, notes, review sheets, exam, etc. This binder will be checked at the end of the semester. It is important that students keep materials that I return since those items will be their best tools for studying for the final exam.

Hopefully, your son/daughter has brought home their course syllabus and you have both read and signed the syllabus contract. I have written this contract to ensure that both the students and their parents understand how this course will run, what we will be covering, and what my expectations are of each student. If you did not get a copy, one is available on this website.

I have extremely high expectations of all my students. I am asking for your help to maintain those expectations by checking with your son/daughter periodically to make sure that his/her work is being done. This can best be accomplished by reviewing their binder. On occasion, students find that they could use some additional assistance. I am available to help students individually before school, during my prep period, and after school. I will be glad to meet at a time that works best for all parties concerned. I encourage you to contact me as often as you like. I will be glad to help you with any questions you might have. It is easiest to contact me through Email at vernetsp@spart6.org.

Thank you,

Mr. Vernet

U.S. History Instructor
